Information Disclosure Statement

2. The IDS filed on April 3, 2002 was previously considered in the prior office action. A copy of the considered references are attached.

Allowable Subject Matter

3. Claims 1-44 are allowed.
4. The following is an examiner's statement of reasons for allowance: Regarding claims 1-44, none of the prior art of record specifically discloses a exhaust content apparatus or method that includes a processor that determines the content of the exhaust plume by determining the ratio of the density of particles in the exhaust with a diameter greater than the wavelength of the UV light to the density of the carbon dioxide in the exhaust. Although there are many references that disclose similar gas and/or exhaust content detection systems none of the prior art of record specifically discloses obtaining the particulate content by determining the ratio disclosed above.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Christine Sung whose telephone number is 571-272-2448. The examiner can normally be reached on Monday- Thursday 7-5 pm.
